## Part 2: Plays for Adults to Perform to Children

(Page 1)

The quoted run-times are a guideline only; so much depends on an individual production.

### SCinderella

*Author* tlc Creative

*Roles* Minimum Male roles = 2. Minimum Female roles = 3. Minimum total with doubling = 5. Minimum total without doubling = 6. No chorus.

*Runtime* Around 90 minutes.

*Music* One popular song is suggested (for which additional lyrics for one verse are supplied in the producer's copy of the script). Lazy Bee Scripts does not supply any sheet music with this script.

*Style* Small cast pantomime with integrated science content, designed to support the (English) National Curriculum Key Stages 2 and 3. (Not the whole of the curriculum, obviously!) Audience participation, slapstick, silliness and science.

*Outline* Prince Charming is on the hunt for the girl of his dreams but the mean ugly sisters, Positivita and Negativita will try their best to stop Cinders from making it to the Ball. Along the way the audience and the characters learn all about pollination, separating mixtures, circuits, light and forces. With lots of audience participation, a fairy godmother and, like all good fairytales, a happy ending!

*Plus* The following additional items are available (at extra cost) to go with this script: \*\* Backing tracks of all the songs from the show as MP3 files

### The Pirate Queen

*Style* Time-travelling musical for kids with a healthy dose of piracy thrown-in.

*Outline* Jack, Darrell and Sean are three students living in the shadow of their more successful peers. But when a freak storm during a fishing expedition causes them to be whisked back to the 18th century and they encounter a crew of pirate women, they may be about to change history!

*Plus* The following additional items are available (at extra cost) to go with this script: \*\* A 'rehearsal CD' with piano arrangements of all the songs from the show
